

A Warm Thank You from St. Gerard's Center for Life

To Members of the Respect Life Committee;

On behalf of St. Gerard's Center for Life, I am writing to express my deep gratitude for the overwhelming love and generosity you demonstrated in contributing to the Baby Needs Drive conducted for our program.

The contributions you gave as a result of the drive were absolutely amazing – 5 carloads of baby items! Not only were we blessed to receive the supplies, but several members of the committee stayed to help us organize and put the items away. Without a doubt, your donations of the much needed items truly made a difference in the lives of our mothers and their children!

Please know that God is never out done in generosity; therefore, your commitment to assist our mothers-in-need will always be remembered. Thank you to all who made the drive such a great success.

With love for life in Christ,
Theresa Krankowski, Ed.D.
Director of St. Gerard's Center for Life
